### **Award Criteria – Maybelline Trophy (Most Improved Player)**

The key criterion for the Maybelline Trophy is an outstanding improvement in a member's tennis ability or results during the preceding year. Other criteria and guidelines for this award include:

- Has been a financial member for at least six months at the time of the Annual General Meeting;
- Does not have to be someone who has played Interclub or Club Championships during the preceding year, but objective results should be taken into account where possible;
- Can be a member at any level of ability or length of membership, and should take into account the relative improvements that are possible at each level or grade.

### **Award Criteria – Donalda Dickson Trophy (Sportsmanship)**

The key criterion for the Donalda Dickson Trophy is an outstanding contribution to the Club or to the game of tennis within the Club during the preceding year. Other criteria and guidelines for this award include:

- Has been a financial member for at least six months at the time of the Annual General Meeting;
- Has demonstrated a contribution “above and beyond” the expectations of their position in the Club.
- Has demonstrated exemplary conduct or sportsmanship or actively demonstrated the Club's core values, either on or off the court;
- Has demonstrated particular leadership in a key area of the Club's strategy or operations;
- Where a Committee member is nominated, then outstanding results, service above and beyond their job description or taking on extra duties or responsibility is expected;
- Can be a member who has demonstrated these qualities over a period of more than one year, but must be for “above and beyond” contribution, not just length of service or making a financial contribution to the Club.
